Reminder: **Robotics Project Proposals Presentations on Monday 18-3 and 25-3 2024, every team should in principle be able to present at the March 18<sup>th</sup> 2024.**

Present your Robotics Project Proposal during a **5 minute (max)** talk. Clearly state the title of your project, the team members, your goals, how you will pursue them, what are the challenges and what at least can and should be delivered on the demo day on May 13<sup>th</sup> and May 27<sup>th</sup> 2024.

Note: Groups of 1-5 members are allowed.

The presentation should contain 5 slides:

1. Title and group members.
2. Goal of the project: what is novel? [Refer to at least one relevant and published research paper!](#)
3. How will you pursue these goals: division of work per group member
4. What are the challenges.
5. What at least can and should be delivered on the demo days on May 15th and May 22nd 2023.

The LIACS Media Lab can support your project with some materials for your project. Please clearly state any materials that you would need for your proposal. Note that these materials are limited so project goals may need to be adjusted accordingly.

Each presentation will be followed by a short class discussion.
